

Studio Reopening: Safety Policies

Please review the following procedures in use at the dancing school to maintain CDC recommended safety practices in operation during the COVID-19 pandemic. All practices will be enforced at all times.

General Dancing School Procedures

1. As we return to dance, please remember to practice good hand hygiene. Sanitizing stations will be available upon entry into the dancing school and within each studio room.
2. Social distancing, not touching faces, and washing and sanitizing hands are keys to prevention. Students will be asked to wait outside or in cars prior to class start time.
3. Students will be asked to wear masks, as will our teachers and staff. Masks will be required to enter the dancing school.
4. Temperatures will be taken of all staff and students at the door. Anyone with a temperature above 100.4 degrees will be asked to return home.
5. If you think you might be sick, stay home. If you are going to cough or sneeze, turn away from other dancers, elbow block it and sanitize your hands immediately after.
6. The lobby and *dressing rooms will not be used by families as a waiting area at this time. Parents should kindly wait outside or in your cars, if possible. Feel free to run errands and return at the end of class time.

In-Studio Procedures

1. As each class is called, dancers will come to the door, remaining socially distanced to have their temperature taken.
2. Dancers will wash hands, apply sanitizer, go directly into the classroom to sit on floor-marked positions in each studio and wait for class to begin.
3. There will be 15 minutes between most classes to accommodate studio cleaning and to allow safe changing of classes. The dancing school will additionally be cleaned at the end of each day.
4. CDC capacity guidelines will be applied to limit class sizes according to studio size.
5. At the end of class, students will be dismissed one room at a time to minimize cross contact.

**A limited number of students will be permitted to wait in the studio to attend another class in the same day. Preregistration will be required.*
